## 🔧 Skills

Problem solving using python language

Advance python modules  
(numpy, pandas, scikit\_learn)

HTML, CSS, Bootstrap

## ♥ Interests

Volleyball

## 👤 Reference

Dr T.Hari kala - Annamacharya institute of technology and sciences college

Assistant professor

+91 90634 64814

## 👤 Personal Details

Date of Birth : 30/07/2004

Birth

Nationality : Indian

Religion : Hindu

Gender : Male

Place : 4-92A, Kallageri, Mallapalle, Gorantla, Sri Satya Sai, Andhra Pradesh, 515241

## 🎯 Objective

Eager to apply my programming expertise and innovative mindset in a dynamic software company, contributing to the development of cutting-edge solutions and collaborative team success.

## 🚀 Projects

### Breast Cancer Prediction Using Fine Needle Aspiration (FNA) Biopsy Data

Developed a machine learning model to accurately predict the presence of breast cancer based on data collected from fine needle aspiration (FNA) biopsies. Utilized advanced algorithms and statistical techniques to analyze biopsy features and identify patterns indicative of malignancy or benignity. Collaborated with medical experts to ensure the model's clinical relevance and effectiveness in aiding early diagnosis and treatment decisions.

### Interactive To-Do List Application

The Interactive To-Do List Application is a user-friendly, cutting-edge web app built with HTML, CSS, and JavaScript. It enables effortless task management, persistence, and organization, leveraging modern technologies for seamless data storage and retrieval. Featuring a clean design and responsive layout, the app provides an

## 🎓 Education

**Annamacharya institute of technology and sciences** 2021 to 2025  
Artificial intelligence and Data science (B.Tech)  
8.02

**Sri Chaitanya College** 2019 to 2021  
MPC(intermediate)  
881

**Sri Vivekananda English Medium** 2018 to 2019  
SSC  
10

## 🏆 Achievements & Awards

Participation certificate in Tech-Marathon2k23( technical bootcamp followed by 24 hrs)

Certified in Advanced Data Science Internship Program

Silver Badge for solving 250 problems in codechef using python language

Completion certificate for solving all the practice problems of 500 difficult rating in Codechef.

## PROFESSIONAL SKILLS

- ☐ Communication and teamwork skills
- ☐ Adaptability and flexibility
- ☐ Positive attitude and professionalism

## DECLARATION

- ☐ I hereby declare that the above information is true and I am capable to clear the doubts and solving the problem with good satisfaction. if I get a chance, I will do my responsibility greater extent.
